Terms

Weather is always a concern, we reserve the right and also give you the Client the right to cancel or reschedule if the weather is foul (meaning continuous rain, hail, sleet, snow, or hurricane type winds)
(Or extreme heat or cold) we want our ponies and your children to be happy not miserable.

BAD WEATHER POLICY: If it is raining on the day of your event, we will call to verify if we should still come or reschedule. If you cancel without rescheduling your \$50.00 deposit is not refundable. If you tell us to come and THEN cancel after we have arrived at your event, the deposit is non refundable and the balance of your party is due in full.

Pony Parties can be performed almost anywhere, such as backyards, front-yards. However, our ponies cannot perform on rocks, uneven or un-level ground, HILLS, ROADS, CONCRETE Drives or grass that has been treated with pesticides or fertilizers within 7 days of the party date. Location cannot be on a major/busy highway, or front yard, which receives large amounts of street traffic. The area in which you would like to hold your pony party needs to be an area large enough for the ponies, and your children, thus meaning we need additional room from the area we are working in, to allow your quests to wait, (out of harms way). This is strictly for the safety of our ponies, our staff and your children.

Cancellation of party must be 10 days prior to party date for a refund of your deposit. If party is cancelled within 10 days of your party date your deposit is non refundable. No exceptions.

We must have adequate parking close to the party location for our truck and trailer to park and unload the ponies safely: We can not unload our ponies on a busy highway, parking lot, hill or road which receives large amounts of street traffic.

We have the right to stop, cancel, and or remove our ponies from any unsafe conditions. For example, the above conditions are not meet, fireworks, loose or barking dogs, lighting and thunderstorms, children on bicycles, scooters, roller blades etc. Children playing football, soccer, baseball or Frisbee near or around, where our ponies need to perform. Water guns, games with loud noises, clacking or banging. Bouncies, trampolines, swing sets and waterslides, need to be placed out of the path in which you would like for us to work. Please have children reframe from using these items while our ponies are in use. We have the right to cancel any party due to extreme heat, extreme cold, rain, slippery ground. We have the right to substitute one animal for another, should one animal become ill, lame, or for any other reason.

Kindly review **"A word from our Ponies"** with your guests prior to arrival. The children and your guests will be asked to follow these simple rules for their safety, ours, and our ponies. You may wish to print a copy, and include along with your party invites.

Lastly, we cannot be held responsible or liable for any property or landscaping damage associated with pony hoof marks, grass nibbling, and or droppings (which will be our responsible to promptly remove). We will do our best to leave your home exactly the way we found it:
